

Elementary School Supplies 2018-2019

This year the elementary teachers decided once again to bundle classroom supplies. This helps us save you money, since we can buy in bulk, and ensures that every child has the supplies they need on the first day of school.

In addition to supplies, each classroom pack will also include a student planner or organizational binder and class field trip shirt. On registration day, we will need to determine what size t-shirt your child needs and whether you would like to purchase any additional t-shirts. Listed below are the costs for each grade along with any additional items that you may need to purchase.
